

AISA SGA

CAN-A-THON

Once again the AISA SGA will be sponsoring a State-Wide Can-a-thon this year. I hope that your SGA will join other SGAs from across the state that will be participating in this service project to help the needy. Plaques will be given to the top three SGAs that collect the most cans per student.

1st Place

2nd Place

3rd Place

-The Can-A-Thon has already begun.

-Cans may be collected until January 25, 2008

-Documentation of the name of the organization who received the donated canned goods.

-The total number of cans that your school collected and the total number of K5-12th grade students enrolled at your school must be mailed to AISA Office and postmarked no later than February 6, 2008.

-Your SGA may only record the number of cans brought in by the students in grades K5-12th in its school.

-The schools that record the most cans per student will be awarded a plaque. This will be based on a percentage of the total number of cans divided by the total number of students (K5-12th).

-Each SGA may decide its own way to promote the can drive within the school.

-Only Dues paying AISA schools are eligible.
